## FREE IVF egg sharing with an anonymous recipient S1

A free egg sharing package that involves donating half of your eggs produced during your IVF treatment to a woman who needs eggs so that you both have a chance of becoming pregnant.

In return for your amazing and generous act of sharing your eggs and to say thank you, you can benefit from free IVF.

This may appeal to you if you are not eligible for NHS funded Treatment or you have had an unsuccessful NHS funded cycle. Eligibility criteria apply.

**Fees include:**  
Medical consent treatment consultation and nursing consultations  
Screening tests for sharer and male partner if applicable  
Up to 6 counselling sessions  
Stimulation cycle for sharer  
Semen preparation of partner sperm if applicable  
Egg retrieval  
Attempted fertilisation of at least 4 eggs  
Embryo transfer  
Pregnancy scan or follow up appointment within 3 months  
Blastocyst culture of embryos  
All drugs for sharer  
HFEA Fee £80

<b>Cancellation Policy:</b> Cycle cancelled after stimulation due to insufficient response to stimulation or no eggs collected <b>ICSI fee full refund</b> <b>Failed fertilisation no refund</b>
Sharer withdraws consent to donate after stimulation <b>no refund and full cost of IVF and drugs payable</b>
A minimum of 8 eggs is required for the donation to take place. If less than 8 eggs are retrieved, the sharer keeps all the eggs and the donation is cancelled <b>(at no extra cost)</b>
There is <b>no refund</b> for any unused donor sperm booked

## IVF egg sharing with a same sex partner or known recipient and an anonymous recipient S2 £500

A highly affordable all-inclusive egg sharing package for women in a same sex relationship who wish to donate half their eggs to their partner and the other half to an anonymous recipient.

This package is also suitable for women who have found their own egg donor who is willing to share half her eggs with an anonymous recipient. Eligibility criteria apply.

**Fees include:**  
Medical consent treatment consultation and nursing consultations  
Screening tests for donor, known recipient and male partner if applicable  
Counselling  
Stimulation cycle for donor  
Semen preparation of partner sperm if applicable  
Egg retrieval  
Attempted fertilisation of at least 4 eggs  
Scans and preparation for known recipient  
Pregnancy scan or follow up appointment within 3 months  
All drugs for donor and known recipient  
Blastocyst culture of embryos  
HFEA Fee £80

<b>Cancellation Policy:</b> Donor withdraws consent to donate after medical consult, but prior to stimulation <b>no refund</b>
Cycle cancelled after stimulation due to insufficient response to stimulation or no eggs collected <b>ICSI fee full refund</b> <b>Failed fertilisation no refund</b>
Donor withdraws consent to donate to anonymous recipient after stimulation <b>no refund and full cost of IVF known recipient cycle plus drugs payable</b>
A minimum of 8 eggs is required for the donation to the anonymous recipient to take place. If less than 8 eggs are retrieved, the known recipient keeps all the eggs and the donation to the anonymous recipient is cancelled <b>at no extra cost</b>
There is <b>no refund</b> for any unused donor sperm booked
There is <b>no refund</b> if any part of the S2 package is not used

**Extras if required:**  
Donor sperm: 1 cycle £850, 3 cycles £1700  
(use of donor sperm may require ICSI, but there is no additional charge for this)  
Half price ICSI if required £600  
Half price embryo freeze and storage for 1 year £275  
Half price frozen embryo transfer if not pregnant from 1st cycle and within 6 months of treatment £725  
Embryoscope £350
